

## 2. I Will: Having the Right Attitude

---

When we look at our attitudes within the church, there are four primary areas that need the proper attitude if we are going to truly be “I WILL” Christians within the context of a Christ-centered church.

### 1. Unity—Unifying

- John 17:21–23

### 2. Sacrifice—Sacrificial

- John 15:12–13

### 3. Prayer—Prayerful

- Luke 11:1–2
- Ephesians 6:18–20

### 4. Joy—joyful

- Philippians 4:4–7
- Psalm 118:24

Our attitude, as believers, determines how others see you and unfortunately, how others characterize the church. This is important for us to hear: Our attitudes are an **internal quality** that affects our **outward character** and the reason I say that is to speak to the importance of getting the things on the inside set straight.
